# LADHA SINGHAL & ASSOCIATES

CHARTERED ACCOUNTANTS

# INDEPENDENT AUDITOR'S REPORT

To The Members of Scitech Specialities Private Limited

# Report on the Standalone Financial Statements

- 1. We have audited the accompanying Standalone financial statements of Scitech Specialities Private Limited ("the Company"), which comprises the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (Including Other Comprehensive Income), the Cash Flow Statement and the Statement of Change in Equity for the year then ended and, notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, its cash flows and the Statement of Change in Equity for the year ended on that date

# **Basis of Opinion**

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# **Key Audit Matters**

- 4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
- 5. We have determined that there are no key audit matters to communicate in our report.

# Information other than the financial statements and auditors' report thereon

- 6. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- 8. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

# Management's Responsibility for the Standalone Financial Statements

- 9. The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and the Statement of Change in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 10. In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Standalone Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

- 12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
  - Obtain an understanding of internal financial controls relevant to the audit in order to
    design audit procedures that are appropriate in the circumstances. Under section
    143(3)(i) of the Act, we are also responsible for expressing our opinion on whether
    the Company has adequate internal financial controls system in place and the
    operating effectiveness of such controls.

 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 13. Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of ant identified misstatements in the standalone financial statements.
- 14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# Report on other Legal and Regulatory Requirements

- 17. As required by section 197(16) of the Act, In our opinion and to the best of our information and according to the explanations given to us, we report that the remuneration paid by the Company to its directors during the year is in accordance with the provision of section 197 of the Act.
- 18. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 19. As required by section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and the Statement of Change in Equity dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of written representations received from the directors as on 31st March, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - The Company has disclosed the impact of pending litigations, if any on its financial position in note no. 37 of its standalone financial statements;
    - ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses; and
    - iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

- iv) a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) No dividend has been declared or paid during the year by the Company.

REGISTRATION NO

vi) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

# Annexure A to Independent Auditor's Report

Referred to as 'Annexure A' in paragraph 18 of the Independent Auditors' Report of even date to the members of Scitech Specialities Private Limited on the standalone financial statements for the year ended on 31st March, 2024, we report that:

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
    - (B) The Company has maintained proper records showing full particulars of intangible assets.
  - (b) The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets, in our opinion, the frequency of verification is reasonable considering to the size of the Company and the nature of its assets. Physical verification of the assets has been carried out during the year pursuant to the programme in that respect. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of self-constructed buildings and title deeds of all other immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
  - (d) The Company has not revalued any of its Property, Plant and Equipment (including right of-use assets) and intangible assets during the year.
  - (e) In our opinion and according to the information and explanations given to us, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder. Accordingly, the provisions of clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
  - (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising (stock statements, book debt statements, credit monitoring arrangement reports, statements on ageing analysis of the debtors/other receivables, and other stipulated financial information) filed by the Company with such banks or financial institutions are in agreement with the unaudited books of account of the Company of the respective quarters except as disclosed in Note No 46 of the standalone financial statement.

- iii. In respect of Investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:
  - (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
  - (b) According to the information and explanations given to us, the investment made are in the ordinary course of business and accordingly not prejudicial to the Company's interest.
  - (c) The Company has not granted any loans or advances in the nature of loans during the year. Accordingly, clauses 3(iii)(c), (d), (e) and (f) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 to the extent applicable. The Company has not made investment, provided any loans, guarantee and security during the year
- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 in respect of company's products. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

# vii. In respect of statutory dues:

- (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred in sub-clause (a) above which have not been deposited on account of disputes as on March 31, 2024
- viii. According to the information and explanations given to us. there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, the provisions of clause 3(viii) of the order is not applicable to the Company.

- ix. (a) Based on our audit procedures and on the basis of information and explanations given to us, we are of the opinion that the Company has not defaulted in the repayment of loans or other borrowings or in the repayment of interest thereon to the lenders. Accordingly, the provisions of clause 3(ix) of the order is not applicable to the Company.
  - (b) On the basis of information and explanations given to us, the Company has not been declared as willful defaulter by any bank or financial institution or other lender.
  - (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
  - (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
  - (e) The Company did not have any subsidiaries, associates and joint ventures during the year and hence, reporting under clause (ix) (e) of the order is not applicable.
  - (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
  - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
  - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
  - (c) Based on our audit procedure performed and according to the information and explanations given to us, no whistle blower complaints were received by the Company during the year. Accordingly, the provisions of clause 3(xi)(d) of the Order are not applicable to the Company.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013 and accordingly reporting under clause 3(xiv)(b) of the Order is not applicable.

- xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors, and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
  - (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred any cash losses in the financial year covered by our audit but had incurred cash losses amounting to Rs 52.16 million in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly reporting under clause 3(xvi)(d) of the Order is not applicable to the Company
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

CHAL

(b) According to the information and explanations given to us, there are no ongoing projects, hence reporting under clause 3(xx) (b) of the Order is not applicable to the Company

# Annexure B to Independent Auditor's Report

Referred to as 'Annexure B' in paragraph 18(f) of the Independent Auditors' Report of even date to the members of Scitech Specialities Private Limited on the standalone financial statements for the year ended on 31st March, 2024.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

 We have audited the internal financial controls over financial reporting of Scitech Specialities Private Limited ("the Company") as on 31<sup>st</sup> March, 2024 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended and as on that date.

# Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

# Auditors' Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

8. In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

# Overview of the Company

Scitech Specialities Private Limited ('the Company') was incorporated on 29 October 2007 under the provisions of Companies Act, 1956. The Company is engaged in the business of manufacturing, trading and export of all types of speciality products for veterinary and Human use in all does forms.

# Basis of preparation of financial statements

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements up to year ended 31 March 2020 were prepared in accordance with the accounting standards notified under the section 133 of the Act, read with with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

# Use of estimates

The preparation of financial statements in conformity with Ind AS requires the management to make use of judgements, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets and liabilities, revenue and expenses and disclosure of contingent liabilities. The estimates and assumptions used in accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements and reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

Assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ended 31 March 2023 are as follows:

a. Property, plant and equipment

Determination of the estimated useful lives of tangible assets and the assessment as to which components of the cost may be capitalised. Useful lives of tangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support.

Recognition and measurement of defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

c. Recognition of deferred tax assets

Deferred tax assets are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilised business loss and depreciation carry-forwards and tax credits. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Recognition and measurement of other provisions

The recognition and measurement of other provisions are based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the balance sheet date. The actual outflow of resources at a future date may therefore vary from the amount included in other provisions.

3A Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2024, there are no standards which are issued but not yet

# 4 Significant accounting policies:

The accounting policies set out below have been applied consistently to the periods presented in the financial statements.

a. Revenue recognition

- i. Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably
- ii. Revenue from contracts with customers is recognised when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates. Sales are exclusive of Goods and Service Tax (GST).
- iii. Export incentives received pursuant to the Duty Drawback Scheme and Merchandise Export from India Scheme are accounted on an accrual basis, to the extent it is probable that realization is certain.
- iv. Interest income is recognized on a time proportionate basis, taking into account the amount outstanding and the rates applicable.

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

b. Property, plant and equipment and depreciation

# Recognition and measurement

- i. Items of property, plant and equipment are stated at cost less accumulated depreciation and amortisation and accumulated impairment losses, if any. Cost includes taxes, non refundable duties and taxes, freight and other incidental expenses directly related to acquisition/construction and installation of the assets. Any trade discounts and rebates are deducted in arriving the purchase price. Interest on borrowings to finance acquisition of property, plant and equipment during qualifying period is capitalized.
- ii. Leasehold improvements represent expenses incurred towards civil work and interior furnishings on the leased premises.
- iii. An asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal of property, plant and equipment carried at cost are recognised in the Statement of Profit and Loss.
- iv. Capital work-in-progress includes assets not ready for their intended use and related incidental expenses and attributable interest.
- v. The Company has elected to continue with the carrying value of all its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under ind AS 101.

# Subsequent expenditure

vi. Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

# Depreciation

vii. Depreciation on Property, plant and equipment has been provided on Written Down Value method. Depreciation is provided on a prorata basis, i.e. from the date on which asset is ready for use.

The estimated useful life of assets are as follows:

Particulars	Estimated useful life
Building	30 years - 60 years
Plant and Machinery	15 years
Vehicles	8 years
Electric installations	10 years
Office equipments	5 years
Furniture and fixture	10 years
Computer	3 - 6 years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

- viii. Leasehold improvements and leasehold land are amortized over the unexpired primary period of lease except for lease hold land acquired under perpetual lease.
- ix. The Company has reviewed its policy for providing depreciation on its tangible assets and has also reassessed their useful lives as per Part C of Schedule II of the Act. The revised useful lives, as assessed by the management, match those specified in Part C of Schedule II of the Act, for all classes of tangible assets.

# c. Intangible assets

- Intangible assets are stated at cost of acquisition less accumulated amortisation and accumulated impairment losses, if any.
- II. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates
- iii. An intangible asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains / losses arising from disposal are recognised in the Statement of Profit and Loss.
- v. Any expected loss is recognized immediately in the Statement of Profit and Loss.
- vi. Intangible assets that are ready for use are amortized on a straight line basis as follows:

Particulars	 Estimated useful life
Computer software	5 years
Non-compete fees	6 years

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

# d. Impairment of non-financial assets

The carrying values of assets at each balance sheet date are reviewed for impairment if any indication of impairment exists.

If the carrying amount of the assets exceed the estimated recoverable amount, an impairment is recognized for such excess amount. The impairment loss is recognized as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a revaluation decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

When there is indication that an impairment loss recognized for an asset (other than a revalued asset) in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss, in case of revalued assets such reversal is not recognized.

# e. Foreign currency transactions

- Initial recognition Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount
  the exchange rate between the functional currency and the foreign currency at the date of the transaction.
- ii. Subsequent measurement- Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Foreign currency differences are generally recognised in the Statement of Profit and Loss.
- iii. Exchange differences All exchange differences arising on settlement/conversion on foreign currency transactions are included in the Statement of Profit and Loss in the period in which they arise.

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in 7 million, unless otherwise stated)

# 4 Significant accounting policies (Continued)

## f. Inventories

- Inventories of raw materials, packing materials, consumables, finished goods and work in process are valued at lower of cost or net realizable value on an item-by-item basis.
- III. Cost of raw materials, consumables and packing materials is determined on first-in-first-out basis. Cost of finished goods and stock in process is determined by considering materials, labour costs, conversion costs, including an appropriate share of fixed production overheads based on normal operating capacity and other related costs incurred in bringing the inventories to their present condition and location.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. Raw materials and other supplies held for use in the production of inventories are not written down below cost except in case where material prices have declined and it is estimated that the cost of the finished product will exceed its not realisable value.

# g. Employee benefits

Employee benefits payable wholly within twelve months of receiving employees services are classified as short-term employee benefits. The short term employee benefits are accounted on undiscounted basis during the accounting period based on services rendered by employees.

# i. Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company contributes to statutory provident fund in accordance with Employees' Provident Fund and Miscellaneous Provisions Act, 1952 that is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which the employee renders services.

# ii. Defined benefit plans

The Company provides for Gratuity benefit, which is defined benefit plan, covering all its eligible employees. Liability towards gratuity benefits expected to occur after twelve months, are determined using the Projected Unit Credit Method. Actuarial valuations are carried out at the balance sheet date. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The retirement benefit obligation recognized in the balance sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, and as reduced by the fair value of scheme assets.

The short term provision for compensated absences has been calculated on undiscounted basis, based on the balance of leave available over and above the maximum accumulation allowed as per the Company policy.

# h. Income taxes

Income tax expense comprises current tax (i.e. amount of tax for the period determined in accordance with the income tax law), deferred tax charge or credit ireflecting the tax effects of timing differences between accounting income and taxable income for the period).

# Current tax

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

# Deferred tax

Deferred tax is recognised in respect of temporary difference between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity.

Deferred tax assets and liabilities are offset only if:

a) The entity has a legally enforceable right to set off current tax assets against current tax liabilities; and

b) The deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

# 4 Significant accounting policies (Continued)

# i. Borrowing costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the Effective interest Rate (EIR) applicable to the respective borrowing. Borrowing cost include interest costs measured at EIR and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs incurred on constructing or acquiring a qualifying asset are capitalized as cost of that asset until it is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use or sale. All other borrowing costs are charged to revenue and recognized as an expense in the Statement of Profit and Loss.

# j. Provisions and contingencies

Provisions are determined by discounting the expected future cash flows specific to the liability. The unwinding of the discount is recognised as finance cost. A provision for onerous contracts is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but will probably not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

# k. Leases

The Company has adopted Ind AS 116 effective from April, 1 2019 using modified retrospective approach.

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether:

(f) the contact involves the use of an identified asset

(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and

(III) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment, in addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate.

Generally, the Company uses its incremental borrowing rate as the discount rate. Lease payments included in the measurement of the lease liability comprise the fixed payments, including in substance fixed payments;

The lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straightline basis over the lease term. The Company applied a single-discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.

The Company's leases mainly comprise of land and buildings used for manufacturing and storage.

# 1. Cash and cash equivalents

Cash comprises of cash at bank and in hand and cash equivalents comprise of short-term bank deposits with an original maturity of three months or less.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and balance with banks.

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

# 4 Significant accounting policies (Continued)

# m. Operating cycle

Operating cycle is the time between the acquisition of assets for processing an their realization in cash or cash equivalents. Based on the nature of products/ activities of the Company, the management has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

# o. Financial Instruments

# a. Financial assets

# 1. Recognition and initial measurement

Trade receivables and debt instruments issued are initially recognised when they are originated. All other financial assets are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset is initially measured at fair value, in the case of financial assets which are recognised at fair value through profit and loss (FVTPL), the transaction costs are recognised in the Statement of Profit and Loss, in other cases, the transaction costs are attributed to the acquisition value of the financial asset.

# II. Classification

On initial recognition, a financial asset is classified as measured at

- amortised cost; or
- fair value through profit or loss (FVTPL); or
- · fair value through other comprehensive income (FVOCI) debt investment or equity investment

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FYTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash (lows that are solely payments of principal and interest on the principal amount outstanding.

# 1. Recognition and initial measurement (Continued)

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is hold within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment- by- investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial assets that are held for trading or are managed and whose performance is evaluated on a fair value basis are measured at FVTPL.

# II. Subsequent measurement and gains and losses

Financial assets at FVTPL

These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of Profit and Loss.

# Financial assets at amortised cost

These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in Statement of Profit and Loss. Any gain or loss on derecognistion is recognised in Statement of Profit and Loss.

# Debt investments at FVOCI

These assets are subsequently measured at fair value, interest income under the effective interest method, foreign exchange gains and tosses and impairment are recognised in Statement of Profit and Loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

# Equity investments at FVOCI

These assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

# Significant accounting policies (Continued)

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

tv. Impairment of financial assets

In accordance with ind AS 109, the company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure;

Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

ti. Trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its Initial recognition.

# b. Financial Habilities

I. Recognition and initial measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument. A financial liability is initially measured at fair value. In the case of financial liabilities which are recognised at fair value through profit and loss (FVTPL), the transaction costs are recognised in the Statement of Profit and Loss. In other cases, the transaction costs are attributed to the acquisition or issue of

II. Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-fortrading, or it is a derivative or it is designated as such on initial recognition. Financial trabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in Statement of Profit and Loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in Statement of Profit and Loss. Any gain or loss on derecognition is also recognised in Statement of Profit and Loss.

ill. Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire. The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. in this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in Statement of Profit and Loss.

lv. Offsetting

Financial assets and financial isabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

p. Earnings Per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Plen Assets

Plan Assets comprise the following

Gratuity	Year ended 31 March 2024	Year ended 31 March 2023
Insuamce Policies	1004	100%
	100%	100%

# (ii) Acturial Assumptions

The following were the principal actuartal assumptions at the reporting date (expressed as weighted averages).

	31 March 2024	31 March 2023
Policy of Insurance	100.00%	100.00%
Discount rate	7.11%	7.37%
Salary escalations	6.00%	5.00%
Withdrawl rates	2N to 10%	2% to 10%
Retirement ago	65 Years	65 Years
	As published under the Indian	As published under the Indian
Mortality Rates	essured fives mortality (2012-14)	assured lives mortality (2012-14)
	table	table

# (v) Sensitivity Analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation as shown below.

Increase to	Year ended 31 March 2024	Year ended 31 March 2023
THE THE TANK AND		
Discount rate (0.5% movement)	5.52	4.75
Future salary growth (0.5% movement)	6.28	5.41
Withdrawal rates (10% movement)	6.19	5.38
Decrease in	5775	3.00
Discount rate (0.5% movement)	4.76	25.20
* ASSASSTATIONS TO AND	6.26	5.39
Future salary growth (0,5% movement)	5.50	4.73
Withdrawal rates (10% movement)	5.53	4.70

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occuring at the end of the reporting period.

v) Expected future cash flows
 The expected contributions for the defined benefit planfor the next financial years are mentioned below:

Expected future benefit payments	As At 31 March 2024	As At 31 March 2023
Year 1	0.30	0.22
Year 2	0.67	0.25
Year 3	0.27	0.62
Year 4	0.40	0.24
Year 5	0.46	0.36
Thereafter	1.22	1.27

The trustoes of the plan have outsourced the investment management of the fund to an insurance company. The insurance company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it may not be possible to explicitly follow an asset-liability matching strategy to manage risk actively in a conventional fund.

# vi) Leave enchashment expenses

	Year ended	Year ended
	31 March 2024	31 March 2023

# Major customer

Revenue from one customer in based in India is ₹ 72.61 Million (31 March 2023: ₹ 74.73 millions) and one customer based outside India is ₹ 68.57 Million (31 March 2023: ₹ 63.93 millions) out of total revenue of the Company.

# 41 Fair values of financial assets and financial liabilities

The fair value of other current financial assets, cash and cash equivalents, trade receivables, trade poyables, short-term borrowings and other financial liabilities approximate the carrying amounts because of the short term nature of those financial instruments.

The amortized cost using effective interest rate (EIR) of non-current financial assets consisting of security and term deposits are not significantly different from the carrying amount.

Financial assets that are neither past due nor impaired include cash and cash equivalents, security deposits, term deposits, and other financial assets.

Notes forming part of the Financial Statements for the year ended 31 March, 2024 (All amounts in ₹ million, unless otherwise stated)

# 42 Feir value hierarchy

The following is the inerarchy for determining and disclosing the fair value of financial instruments by valuation technique: 
\*Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
 Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).
 No financial assets/flabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and fiabilities measured at foir value on a recurring basis:

# As on 31 March 2024

	Carrying amount							
	PVTPL	FYTOCI	Amortised cost	Total	Quoted Price in active markets (Level 1)	Significant observable Inputs (Level 2)	Significant unobservable inputs (Level 3)	Total

Financial Habilities								
Borrowings - Non current	4		71.82	71.62		121	(4)	- 4
Lease liability - Non current	5	3.5	0.28	0.28	3.5	68		. 33
Borrowings - Current	47	2.9	3.26	3.26				19
Trade payables	4	(0	18.89	18.89	*		1	
Other financial liabilities -Current	4		33.52	33.52				

The carrying amount of cash and cash equivalents, trade receivables, trade payables, lease liabilities, other payables and short-term borrowings are considered to be the same as their fair values.

# 43 Financial risk management objectives and policies

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

# (A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

# (I) interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

# Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

		increase/ decrease in basis points	Effect on profit before tax
For Year ended 31 March 2024			
INR		+25	(0.18)
INR		-25	0.18
For Year ended 31 March 2023			4
INE		+25	(0.18)
INR	SUAL P	-25	0.18

# 43 Financial risk management objectives and policies (Continued)

## (III) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a different currency from the Company's functional currency).

# Exposure to currency risk

The currency profile of financial assets and financial trability is as follows

	_	-	Boi

	31 March 2024	31 March 2023
Financial Assets	USD	USD
Trade receivables	0.20	0.25

# Foreign currency sensitivity

A reasonably possible strengthening / (weakinning) of the Indian Rupee against US dollars at March 31 would have affected the measurement of financial instruments denominated in US dollars and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

	Change in USS rate	Effect on profit terfore tax
As on 31 Warch 2024	-1% -1%	0.00 (0.00)
As on 31 March 2023	+1% -1%	0.00 (0.00)

# (B) Credit risk

Credit risk is the risk of financial loss to the Company II a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk arises principally from the Company's receivables from deposits with landlords and other statutory deposits with regulatory agencies and also arises from cash held with banks and financial institutions. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company limits its exposure to credit risk of cash held with banks by dealing with highly rated banks and institutions and retaining sufficient balances in bank accounts required to meet a month's operational costs. The Management reviews the bank accounts on regular basis and fund thravelowns are planned to ensure that there is minimal, surplus cash in bank accounts. The Company does a proper financial and credibility check on the landfords before taking any property on lease and havn't had a single instance of non-refund of security deposit on vacating the leased property. The Company also in some cases ensure that the notice period rentals are adjusted against the security deposits and only differential, if any, is paid out thereby further mitigating the non-realization risk. The Company does not foresee any credit risks on deposits with regulatory authorities.

The Company's maximum exposure to credit risk for the components of the balance sheet at 31 March 2023 and 31 March 2022 is the carrying amounts as mentioned in Note 9 to 14.

# (C) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The table below summerizes the maturity profile of the Company's financial (labilities:

Within 1 year	1 to 3 years	3 to 5 years	years	Total
29.98				29.98
