In this regard, we would like to inform that on the basis of the decision of the United States Court of Appeals for the Ninth Circuit on the appeal, and as per the recent confirmation received from the legal attorney, the provision of ₹ 159.64 million created earlier in respect of the said lawsuit has been reversed in the financial results of the quarter ended December 31, 2025 and the same was noted by the Audit Committee in its meeting held today.
